BACKGROUND

Marina has been working at Washington Park Chiropractic since 2017. She is a Denver native and loves living in Wash Park close by the office. Previously, she was an elementary school teacher for five years in the Denver region.

She graduated with her Master's degree in Education at the University of Denver and her Bachelor's degree in Spanish at Colorado State University. Marina was a Peace Corps volunteer teaching English in Jordan for two years after college.

WHY ARE YOU PART OF THE FRONT DESK TEAM?

Last year Marina decided to make a career change and is now working toward becoming a firefighter. She met Dr. Goodman while training for the physical ability test for firefighters at CrossFit Wash Park and has been a part of the team ever since.

AREAS OF SPECIAL INTEREST

Marina loves working in an environment that focuses on self-care, exercise and health. Last summer she got her EMT-Basic certificate and is currently working at Falck Rocky Mountain in Aurora as an EMT and is also a volunteer firefighter for Franktown Fire Protection District.

WHAT DO YOU LOVE TO DO IN YOUR FREE TIME?

Marina spends her free time going to the gym, playing soccer, attending concerts, traveling, spending time with her family and friends and most importantly, sitting on her porch decompressing from her busy life.
