# NAIMA RIOLA

OFFICE ASSISTANT

## BACKGROUND

Naima grew up in Denver, and attended high school at St. Mary's Academy. Naima started seeing Dr. Goodman when she was 12 years old for sports related adjustments. Naima was competitive horse back rider, competing in show jumping for 5 years. She has worked part time for a Denver based therapist as an office assistant for a number of year in high school and into college.

## EDUCATION

Naima attended the University of Wyoming in Laramie for one year before deciding that the University of Denver was the perfect fit. She is currently pursuing a degree in psychology and criminology with a minor in Spanish.

## WHY ARE YOU APART OF THE FRONT DESK TEAM?

Naima has been seeing Dr. Goodman for chiropractic adjustments for years and knows the Goodman family well. After moving just down the road from Wash Park Chiropractic Naima knew she could turn down the chance to work with the Wash Park family!

## AREAS OF SPEICAL INTEREST

Naima has been an avid horseback rider since the age of ten and has a great deal of interest in both equine and rider health and recovery. She has a great deal of interest in psychological research and hopes to one day do research of her own! She hopes that one day she can combine her love of horses and the outdoors with clinical research.

## WHAT DO YOU LIKE TO DO IN YOUR SPARE TIME?

Naima loves to go horseback riding, snowboard, camping, and loves a good book when she can find the time read!
